21ST CENTURY  
DIVORCE BOOKS

## ***DIVORCE, SIMPLY STATED***

*How to Achieve More, Worry Less,  
and Save Money in Your Divorce*

by Larry Sarezky, Esq.

### **About the Book**

The award-winning *Divorce, Simply Stated* provides all the divorce essentials plus rarely discussed strategies explained simply and compassionately by a veteran divorce lawyer with a heart! "The best book of its kind!" declares American Academy of Matrimonial Lawyers past president Arthur Balbirer about this uniquely engaging roadmap to divorce success and savings. A "well-written and concise how-to on divorce... from the kind of divorce lawyer anyone would want: funny, kind, laser-focused, nonjudgmental, and extremely informative." *Foreword Clarion Reviews.*

### **About the Author**

A past Chair of the Connecticut Bar Association's Family Law Section, Larry Sarezky has represented clients from the ranks of Fortune 500 CEOs, MLB Hall of Famers and Oscar, Grammy and Emmy winners. He has addressed judges, lawyers, mediators and therapists across the U.S. on family law issues, and his commentaries have appeared in *The Huffington Post* and numerous other publications. Larry's Telly Award-winning short film, *Talk to Strangers* has won national acclaim as a deterrent to child related litigation. "Watch it and learn!" proclaims Harvard's Alan Dershowitz.
